Message from the Managing Director

The words 'We the People' incredibly embodies the spirit of unity and inclusion. We consistently create an environment where everyone is valued, every voice is heard, and where each individual contributes to the vibrant tapestry of the institution, daring to envision a world where everyone belongs, to bring about a positive change in the society. Unity is not just about standing together; it is about lifting each other up, recognizing that we are stronger when we work together.

Dear students, as you journey through school and beyond, remember that your unity is your strength. Celebrate each other's successes, learn from challenges, and always be willing to stand together. There is no limit to what we can achieve. I wish this newsletter a great success.

Value of the month- We the People

Delhi-based school student Suhani Chauhan recently received Pradhan Mantri Rashtriya Bal Puraskar for Innovation, from President Droupadi Murmu on Independence Day, 2024. A student of Class VIII, Suhani received the highest honour for children and youth for her path breaking innovation 'So-Apt'. So-Apt is a multi-function solar energy powered vehicle for agricultural use, with zero carbon emission to benefit small farmers. The vehicle can be used for seed-sowing, spraying, irrigation, hole digging etc which make it high on utility using renewable energy. If each one of us use the power within us to positively impact our community, town, or nation, 'We the people' can transform our society and take our nation forward.

School Activities

INDEPENDENCE DAY CELEBRATION

Students at TIGPS Siliguri celebrated Independence Day with great enthusiasm and pride. The day began with a flag-hoisting parade, followed by melodious patriotic songs that filled the air with national pride. A unique highlight was the flag-hoisting robot, showcasing innovation and creativity. The event concluded with a wonderful story play of Jhansi Ki Rani, bringing history to life and inspiring everyone with the tale of bravery and sacrifice.

Throughout the day, students engaged in various cultural performances, including dances and skits that reflected India's rich heritage. The celebration culminated in a captivating story play of Jhansi Ki Rani, where students brought history to life with their impressive acting skills, vividly portraying the tale of bravery and sacrifice. This performance not only entertained but also inspired everyone present with the spirit of patriotism. A standout feature of the event was the innovative flag-hoisting robot, designed and programmed by the school's ATL.

Participated on Atal Tinkering Labs

Students of class 9 made an amazing project in our ATAL TINKERING LAB on a U-turn road safety system that can be deployed on U-turn roads, it consists of Arduino uno and ultrasonic sensor and (red, green) LED which can detect any vehicle approaching from the opposite side and alert the other vehicle by instantly switching the green light to a red light preventing a chance of collision.

Eco-initiatives & CSR

|| ADWITIYAM ||

Satyam Roychowdhury Foundation's visionary CSR initiative, Adwitiyam, kindles the spark of knowledge in the lives of underprivileged children attending local schools. This noble endeavor bridges the educational chasm, presenting a comprehensive platform for holistic growth for these children.

Adwitiyam fosters English speaking, computer training, and performing art . This transformative initiative makes the children confident unlocking a brighter future for India's most vulnerable. Along with training the children are provided sumptuous tiffin.

National Space Day 2024

Siliguri Institute of Technology (SIT) & Techno India Group Public School, Siliguri jointly organized National Space Day 2024, welcoming esteemed scientists from the Indian Space Research Organisation (ISRO) and the North Eastern Space Application Centre (NESAC). The event featured a talk on space applications for social benefit with audio-visual shows on the Indian space program & lunar missions, followed by lunch and a thrilling quiz competition among 22 schools, where TIGPS Siliguri proudly secured the first position. Adding to the excitement, students from different schools were invited to explore a special bus exhibition showcasing prototypes of satellites used in India's space missions.

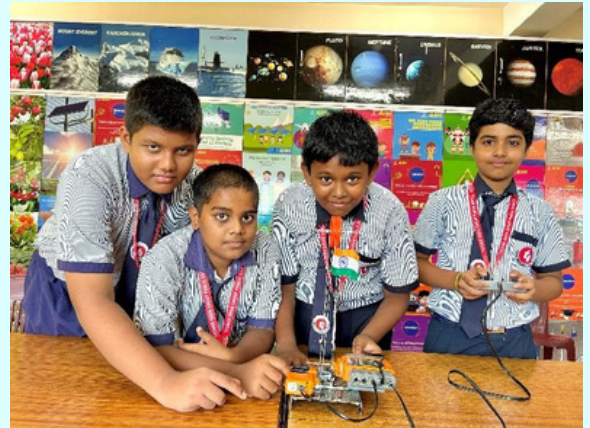

Raksha Bandhan Celebration

Raksha Bandhan, a festival that symbolizes the unbreakable bond, is a time for joy, gratitude, and togetherness. It's a day filled with heartfelt wishes and the promise of lifelong protection. We believe that every child deserves to experience the joy and wonder of childhood, unburdened by life's hardships. This beautiful festival remains a distant dream for Billions of underprivileged children. We, here at TIGPS, SILIGURI, always try to inculcate these values of sharing.
