

# TIGPS- Siliguri Newsletter

JULY 2024

**Awakening** is a continuous journey of discovery, growth, and enlightenment. Awakening is the freedom that comes from realizing our inner potential—personal, intellectual, emotional, spiritual, and social.

We are committed to fostering holistic awakening in our institutions, encouraging curiosity, nurturing talents, and vigorously pursuing dreams. For students, awakening means recognizing their unique strengths and interests, exploring new subjects, engaging in extracurricular activities, and challenging themselves to achieve new dreams.

As we embrace holistic growth, let us strengthen our belief in the power of an open mind and a willing spirit. In learning, personal growth, or community engagement, awakening unlocks boundless possibilities and transformative experiences. Together, let us awaken to the limitless potential within each one of us.

## VALUE OF THE MONTH : AWAKENING !!

Machilakath Abdul Rahim, an Indian from Kerala had spent 18 years in Saudi prison. In a rare show of benevolence and solidarity, Hindus, Christians and Muslims came together to raise Rs 34 crore needed to secure Rahim's release from prison and send him back home. It was an apt Eid-Vishu gift, as the holy month of Ramadan coincided with Vishu, a Hindu festival celebrating Malayalam new year. **Hands raised in prayer for saving life of an Indian** shows the power of unity and compassion. Rahim's mother, Fathima, who has not seen him since the day he left in 2006 is waiting with bated breath for her son's homecoming.

# School Activities

Class 10 students actively participated in creating a soccer robot with dual arms using the Avishkaar kit in their ATL lab. The objective was to learn the mechanics and dynamics of the Soccer Robot with dual arms. Additionally, this endeavor contributes to maintaining joy while learning. Every month students are assigned problem statements so they form groups and identify the solution to the problem, this helps students develop critical problem solving capabilities.

Students actively engage in yoga classes at our school, benefiting from improved concentration, emotional stability, and physical well-being. Yoga not only enhance their academic performance but also fosters self-awareness, self-confidence, and body appreciation. Yoga is a science of well-being, youthfulness, integrating body, mind and soul.

Students of TIGPS Siliguri had the opportunity to learn some fascinating science concepts during a special event conducted by the North Bengal Science Centre. The event featured a bus exhibit showcasing machines in everyday life, and it visited our school in the month of April.

Students of TIGPS Siliguri were introduced to the Raman Effect on science day. Celebrating this discovery on National Science Day inspire curiosity and scientific exploration among students! Science is a way of understanding nature, but it is also a way of understanding ourselves.

Nursery students from TIGPS Siliguri planted saplings in 'My Little Garden'. It's heartwarming to see young learners engaging with nature and exploring the joys of gardening. We keep nurturing their curiosity and love for the environment! The garden reconciles human art and wild nature, hard work and deep pleasure, spiritual practice and the material world.

# Eco- Initiatives & CSR

In a heartwarming gesture, the compassionate students of TIGPS Siliguri visited an old age home, bringing joy and companionship to the esteemed residents. The students performed a dance, music, elocution activities before the residents of the old age home.

Under the CSR the students of TIGPS, Siliguri visited the Yoginand Paramanand Ashram for orphans. They were there to celebrate Rabindra Jayanti. This activity helped students to understand that they have larger responsibility towards the society and its wellbeing other than their own studies and career progression.

Techno School's Tree Plantation Drive: Students, teachers, and staff joined hands to plant diverse saplings, fostering environmental awareness and sustainability. Together, we're nurturing a greener future!

TIGPS Siliguri's Impactful Initiative: Adopting five schools through the 'Aveelasha' Project, TIGPS, SILIGURI not only provides benches and stationery items but also ensures notebooks reach eager young hands!
